

Parish Council Report 2021-2022

Firstly would like to express sadness at the death of Jean Duckmanton, who served on the council for many years.

With the easing of restrictions council meetings have again been in person, so gradually life is returning to near normal.

Two new members, Wendy Astie and Lesley Marsh have been appointed as Councillors.

After consulting with residents it was decided that the telephone box would be used as a library. Ken Marsh kindly fitted out the box to accommodate books. Signage was provided by Village children.

During the year 2 planning applications were received for comment by Councillors.

Derbyshire County Council, who look after highways have installed 3mph Roundels at each end of Village as requested; all other requested jobs have been responded to.

Councillors decided to replace rather than repair the notice Board and this is now installed.

The Parish Council applied, on behalf of the Sport and Social Club, for the grant offered to celebrate the Queens Platinum jubilee celebrations.
