Speeding

1/23

Ellastone PC paid £5,750.00 for their speeding equipment. Unsure if this includes the white gates with speed signs on which are next to the road.

Cllr Marsh is organising speed training with the Police. There is now no need to have the local PSO on site when the equipment is used.

It was agreed that we should borrow the equipment for now. In the future perhaps ask the Social Club to help towards the funding.

Clerk to look for suitable grants to help fund our own equipment in the future.
